

# WHAT THE ISSUE IS NOT:

- That God rested on, blessed, and sanctified the seventh day
- That God commanded Israel to keep the Sabbath day holy
- That Jesus observed the Sabbath
- That Paul went into Jewish synagogues on the Sabbath to reason with Jews

# WHAT THE ISSUE IS:

- Did God command all men of all ages to keep the Sabbath holy?
- Why did God command Sabbath keeping?
- What effect did Jesus Christ's work have on the Sabbath?
- What is the Lord's day?
- Are Sabbatarians correct in binding the Sabbath day, but not Sabbath sacrifices, penalties, and regulations?
